

It's better to  
shoot for the stars  
and miss,

than to  
aim for

a pile of manure  
and hit!

On top of Old  
Smokey

All covered  
with snow

I lost  
my best bird dog  
By aiming too low.

It's  
what  
you  
do  
when the coach  
isn't around that  
makes you a  
Champion.

He's teaching her arithmetic  
He said it was his mission,  
He kissed her once, he kissed her twice  
And said, "Now that's addition."

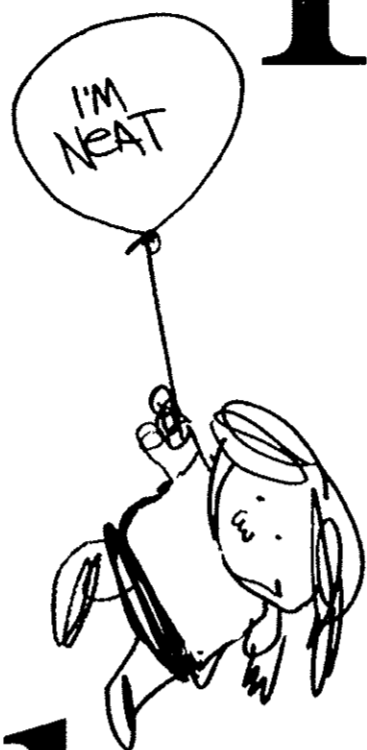

And as he added smack by smack  
In silent satisfaction,  
She sweetly gave the kisses back  
And said, "Now that's subtraction."

Then he kissed her, she kissed him  
Without an explanation,  
Then both together smiled and said,  
"That's multiplication."

Then Dad appeared upon the scene  
And made a quick decision,  
He kicked that kid three blocks away  
And said, "That's long-division!"

Pressure is not something  
that is naturally there.

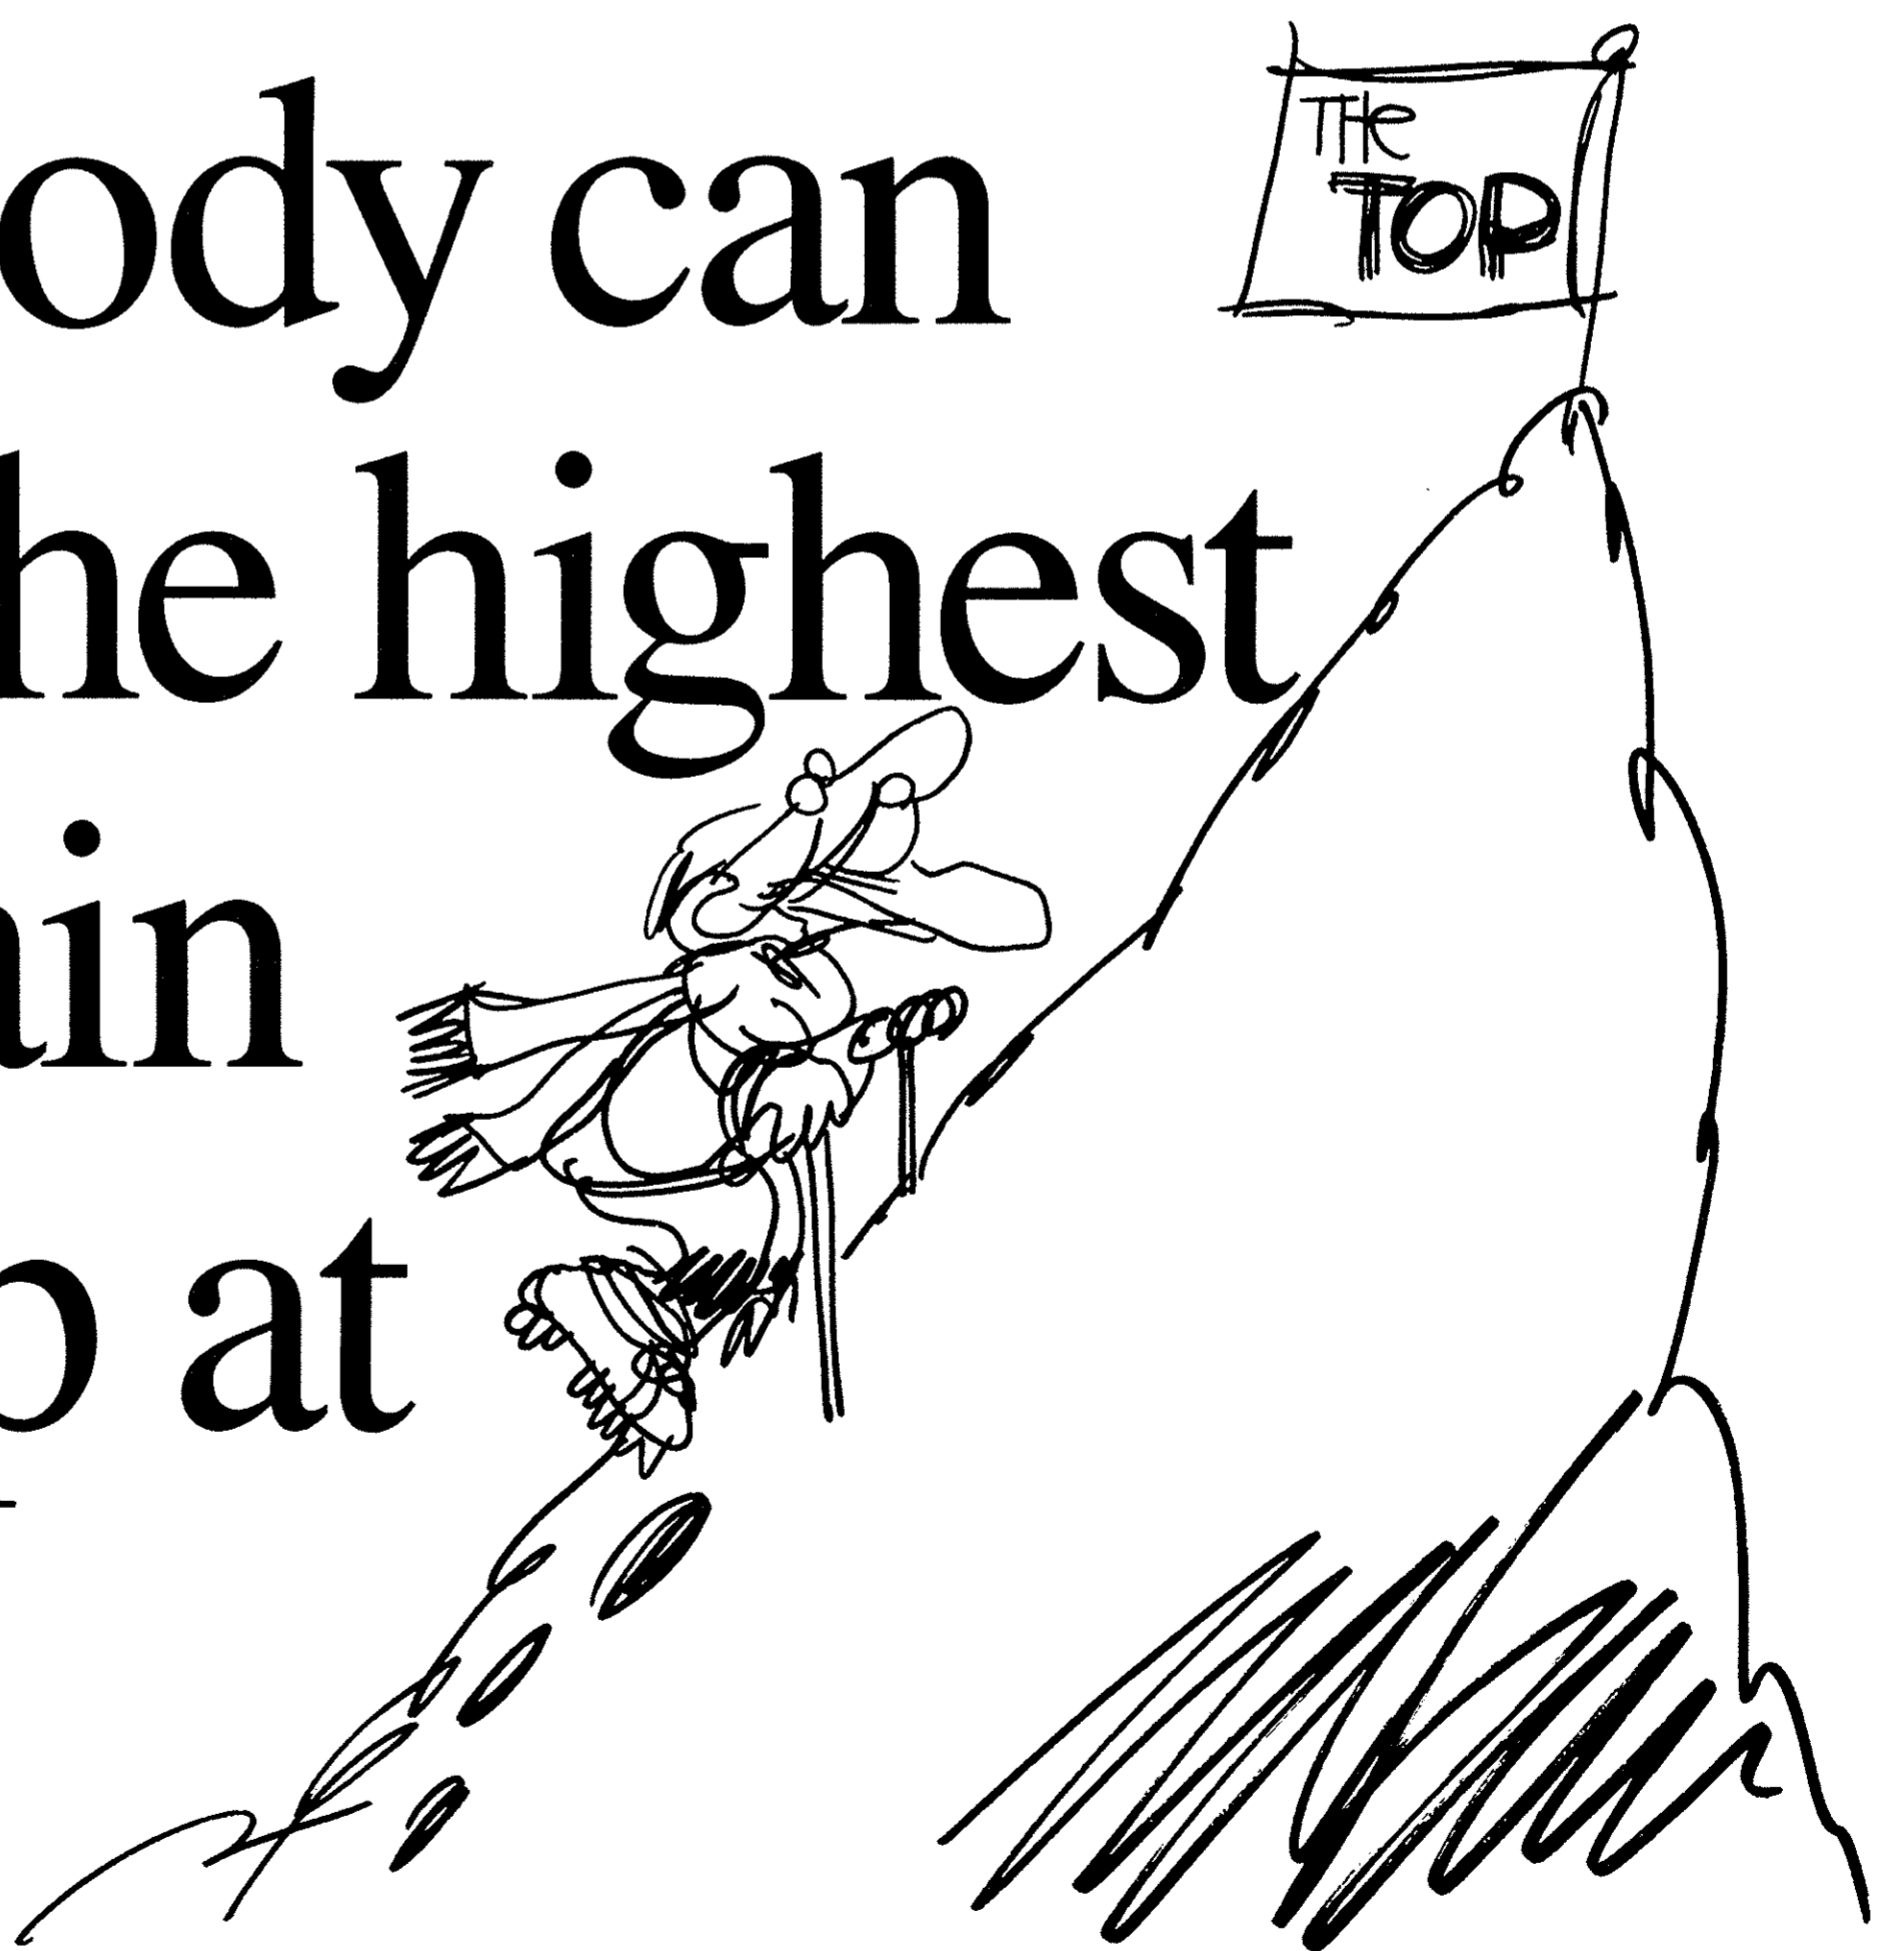

It's created when you  
question your own ability.

And when you  
know what you can do,  
there's never any question!

Everybody can

# Don't fear obstacles!

It's no fun to run  
across an empty field.

The excitement and  
growth come

when there  
are eleven

—guys out there  
trying to knock you out!

Above all, believe—  
in life, love, in yourself.

And if  
there is  
confusion on your field,  
don't be afraid to call  
time out and check in  
with the Coach.

You shouldn't try  
to teach a pig to sing.  
It's a waste of your time  
and it annoys the pig!

Do not let what you  
cannot do interfere with  
what you can do!

Don't be afraid  
to fail and confess.  
If you fail more  
than most even  
try and  
learn why,

you'll *fail your
